

*Psilocybin Mushrooms and The Ecology of Consciousness
with Paul Stamets*

AGENDA

7 - 8:15 pm - Lecture: Historical, Present and Future uses of psilocybin for therapeutic and medicinal benefit.

8:15 – 9:00 pm - Question and answers.

LEARNING OBJECTIVES:

Following the webinar, participants will be able to:

- Utilize a new application used for measuring cognition, memory, vision, hearing, mood, anxiety, depression and other metrics to chart decline or improvement over time.
- Identify effective resources for further study.
